## The HFI Pipeline

Harrell-Fish Inc.

### Community... Golf Scrambles

Harrell-Fish was set up at the BHSS Volleyball Fundraiser at Bloomington Country Club in June.

We set up our tent at the Metal Technology Golf Scramble in Bedford as a Charity Hole. CEO Steve Dawson's son Ben, would hit

### Construction.... It's What's Going On At IU!

#### IU Kelley School of Business Renovation

This project will be worked in 8 phases allowing students to have occupancy in different areas or floors while construction is going on in other areas. It also allows work to take place, keeping students and faculty safe.

The photo above shows the lifting of the first of two AHUs (Air Handling Units) into the penthouse above the 7th floor to provide cooling and heating to Area A of this building. This work must be completed during Phase 1 and put in operation by the time the students return in August.

New restrooms are being installed in Area A during Phase 1. Also part of Phase 1 includes renovations to Floors 1, 4, 5, & 7, which will all be open for students and faculty in August.

Students will be able to enjoy a new Café in Area B, it will be complete a little after the students and faculty return, sometime in September.

All 8 phases are scheduled to be completed by August of 2016.

#### IU Wright Quad Kitchen

a drive shot off the T, with a Titlist Pro-V1x HFI logo ball, for a donation to the Juvenile Diabetes Research Foundation for each team. HFI raised another \$745 for JDRF!

Our team for the Metal Tech Golf Scramble included Chris Summers, AJ Bowlen (Duncan Supply), Mike Hupp, and Ryan Utnage. Look for us at more golfing events in August and September.

## What to look for in August!

- Birthdays
- Events
- Community Involvement
- Safety Awards
- Did you know....?

## New to HFI...

HFI continues to grow! Please welcome Scott Adamson that joined us in May.

The above photo shows an AHU being lifted to the kitchen roof of Wright Quad. The kitchen is being completely renovated this summer.

**HFI at Monroe County Fair**

Look for our booth & tent in the commercial building at the Monroe County Fair. We will be featuring the PureWash Laundry System and talking about the variety of services we can offer our Residential and Commercial Clients.

Make sure you stop by the booth to say "Hi" and pick up a pen, post-it pad, or yardstick from our booth. We will have several units on display, including a Geo-thermal, PureWash, AquaRex and Tankless Water heater. Our representatives will be there ready to answer all your questions. Ask us about the Fair Special on Preventative Maintenance. Register to win a gift card daily!

**HFI is EVERYWHERE!**

Have you seen the HFI ads in new print ads? We are regularly in the Herald Times newspaper.

We can also be found in the MailPak Magazine in Bedford and in July in Bloomington.

If you have something to feature in an upcoming Pipeline Newsletter, on our Facebook page, or Retweeted on Twitter send it to nbaldwin@harrell-fish.com and we will be sure to process the information.

Have you heard our radio commercials on WHCC "Hoosier Country", WGCL "News Talk", or WCLS "Classic Hits"? Listen for

our American Standard Commercials.

You can find us on Facebook at [www.facebook.com/HarrellFishInc](http://www.facebook.com/HarrellFishInc), on Twitter at @HarrellFishInc. Our goal is to have 1000 "Likes" on our Facebook page by December 31st. We are doing well and have over 600 "Likes." Please share our page with all of your Facebook and Twitter Friends.
